

DDD WEEKLY WEBINARS

Join us as we use term 1 data to pinpoint progressed learners at risk. Then, translate insights into targeted interventions and track what matters by using dashboard tools and key policies like D3 to monitor progress.

Click on the hands below to register:

Thursday 9 April
15:00-16:00

Friday 10 April
12:00-13:00

HOSTED BY:

Monki Gabashane
